

## Erasmus+ volunteering with Heitere Fahne, an inclusive cultural centre in Wabern (Switzerland) – 2023/24

Heitere Fahne is an alternative pioneer project for inclusive culture with utopian flair. A collective consisting of roughly 40 people organizes concerts, parties, theaters, festivals and creates a weekly cultural program in a historical brewery near Bern as well as other urban spaces. As elementary part of the concept, Heitere Fahne always blends its cultural and gastronomical projects with social background and enthusiastically addresses topics such as dis/ability, migration and mental health.

The project starts the **9th of October** and is for 12 months. It is part of the Erasmus+ program “European Voluntary Service (EVS)” financed by Movetia. More info about the EVS program you find [here](#).

### Activities

The main task of the EVS volunteer is supporting the team with the conception and realization of inclusive cultural and gastronomical events. During the stay, the volunteer can deepen responsibilities in service, kitchen, infrastructure, culture or office, depending on his/her skills and interests. In these activities the volunteer receives the opportunity to work with different people in an informal and amicable setting, and to experience and tackle the challenges faced by a pioneer project for inclusive culture. During the workcamp season he/she will also have the possibility to realize own ideas and projects with the team – be it small or big, as we always try to collectively make dreams come true.

## Accommodation

For your accommodation you have a private room in a shared in-house-apartment. Mostly, meals are prepared in the cultural centre, but you also get a budget for food and you have the possibility to prepare meals in the shared apartment.
